What Parents Need To Know About High School Transition Planning & Services...

PARENT TRANSITION WORKSHOP

November 6, 2014, 6:00 - 8:00 PM

Transition-Moving from High School to Post-Secondary Programs,
Manchester High School, Room 293

Please join us if your student attends middle or high school. It is never too early to start planning:

- Parents and other family members are vital participants in the transition planning process- You provide a unique perspective on your student's needs.

- The goal of this presentation is to inform all parents or interested parties and students of the IDEA/ADA regulations specific to IEPs and 504 Plans and transition services at the secondary level.

- In addition we will discuss ways to make this transition into career/employment, postsecondary education/training, and/or independent living smoother and less stressful.
